

# Facility User Program

Municipality/Educational Institution Facility User Event Insurance

With IRC's user friendly portal, facilities can offer transparent, efficient and compliant insurance solutions to their clients

**Protects Primary Coverage** - Facility User Program policy shields primary general liability in the event of a claim

**Waiver of Subrogation for the Venue** - Waiver of Subrogation in favour of the Facility for defence, award, and/or settlement of claim

**Certificate of Insurance** - Delivered to user, the facility, and risk manager within seconds of insurance purchase, providing peace of mind that suitable coverage has been purchased for the event

Policies

"The greatest benefit is it saves me a lot of paperwork and time. Also, the risk of what was going on, the staff were not providing the appropriate level of insurance to renters and selling the wrong level. The IRC portal allows people to complete this process on their own and there is no risk of me selling or doing something wrong."

*Facilities Co-ordinator - Ontario Municipality*
